1. That batter reaches base;
2. That batter is put out;
3. The third out is made to complete the half-inning.

Note 1: A pitcher who delivers 41 or more pitches in a game cannot play the position of catcher for the remainder of that day.

The umpire-in-chief will inform the pitcher's Manager that the pitcher must be removed in accordance with Regulation VI (c). However, the failure by the pitch count recorder to notify the umpire-in-chief, and/or the failure of the umpire-in-chief to notify the Manager, does not relieve the Manager of his/her responsibility to remove a pitcher when that pitcher is no longer eligible.

(g) A player may not pitch in more than one game in a day.

NOTES:

1 The withdrawal of an ineligible pitcher after that pitcher is announced, or after a warm-up pitch is delivered, but before that player has pitched a ball to a batter, shall not be considered a violation. Little League officials are urged to take precautions to prevent protests. When a protest situation is imminent, the potential offender should be notified immediately.

2 Pitches delivered in games declared "Regulation Tie Games" or "Suspended Games" shall be charged against pitcher's eligibility.

3 In suspended games resumed on another day, the pitchers of record at the time the game was halted may continue to pitch to the extent of their eligibility for that day, provided said pitcher has observed the required days of rest.

- d. Scorekeeper & Pitch Counter: the home team is the official scorekeeper of the game. An individual other than the Manager should be recruited. Section 2 - Manager and Coach Guidelines

LLL appreciates, admires, and respects, all those willing to manage and/or coach. It has been stated many times that the program of any Little League can only be as good as the quality of leadership in the management team. As Managers and coaches, you make the program work for LLL. Therefore, in order for LLL to consider someone for the position of a Manager or coach, that individual must recognize they hold a position of trust and responsibility in a program that deals with a sensitive and formative period of a young child's development.

Knowledge of the game is essential, but not the only requirement of a Manager or coach. The Manager or coach must be a LEADER. They require understanding, patience, and the capacity to work with young children. They must be sensitive to the mental and physical limitations of these young children and recognize the game is a vehicle of training and enjoyment. Young children are strongly influenced by adults whose ideals and aspirations are similar to their own. The Manager, coach, and player share a common interest in the game and a desire to excel as a ballplayer. Young children often idolize their Manager, or coach, not for their success, but for their source of inspiration. People holding these positions should be able to inspire confidence and earn respect. Above all, they must realize they are helping to shape the physical, mental, and emotional development of your children, and set an appropriate example in line Little League values and principles.

Therefore, all Managers and coaches must abide and adhere to the attached Coaching Principles & Objectives (Exhibit A).

Section 3 - Role and Formation of Disciplinary Review Committee (DRC)

In some circumstances, complaints about Managers and/or coaches may require disciplinary action from the league. A DRC will be appointed by the President immediately following a complaint. To facilitate the timeliness of disciplinary actions, the DRC shall meet to review disciplinary issues. Complaints or negative evaluations may necessitate inquiries to other parents, coaches, or league officials, but such complaints shall not be given credence unless confirmed by secondary sources. Complaints or negative evaluations about Managers or coaches shall be in writing and must be filed with the League within 30 days of the end of the season. Only after the DRC has reviewed the pending complaint and made a recommendation to the Board, can the

Ladera Little League

Baseball Bylaws & Local Rules

matter be open to the Board for discussion. At that time, Board members would be afforded the opportunity to discuss the merits of the complaint as they would any new complaint that follows the procedures outlined below.

Section 4 - Procedural Issues

The Player Agent shall contact the individual(s) under review within 3 business days of the formation of a DRC following receipt of a complaint. Upon request of the individual(s), the DRC shall provide a copy of the alleged complaint. The individual(s) shall be given an opportunity to review and respond in writing and/or in person to the DRC before the matter is discussed openly by the BOD. Upon request, the DRC shall make available to the individual(s), information or documents related to the alleged offense. Individual(s), against whom the alleged complaint has been filed, may be reprimanded, or disciplined only after proper notification and the DRC has made a review. Reasonable attempts should be made by the DRC to contact the individual(s) involved in the alleged offense. If the League has not received a response from the individual(s) within three (3) days of being notified that a complaint is pending, the DRC may make a disciplinary recommendation to the full BOD for action at the next scheduled Board meeting or an urgent disciplinary meeting. After careful deliberation of the alleged infraction and after individuals (s) have been notified, a preliminary recommendation of the discipline action shall be made by the DRC and presented to the individual(s).

The individual(s) shall have the right to appear at the next Board meeting for the purpose of appealing the DRC's recommendation to the BOD. In all cases where the DRC has determined the individual(s) is to be removed from the position of Manager or coach, or if it is deemed necessary to remove the individual(s) from the league entirely, a motion shall be made to that effect, and the BOD (voting members) must vote on the decision. Upon the unanimous (2/3rd) recommendation to remove a Manager or coach from his position by the DRC, a majority vote of eligible voters on the Board is sufficient. Upon recommendations by the DRC that are not unanimous, the removal of any coach or Manager shall require a two-thirds vote of the voting Board members.

Section 5 - Notification

Upon receiving a DRC recommendation, the league shall provide an immediate notice to all voting BOD members and the individual(s) that a disciplinary action will appear on the Board's agenda. In

Ladera Little League

Baseball Bylaws & Local Rules

those circumstances, BOD members shall be notified by phone or email that the disciplinary item will appear on the agenda. The league shall make every effort to treat all parties involved with respect, and a sense of fairness, and make every effort to ensure that the disciplinary process is not being used for purposes of smearing the reputation of another individual or for personal gain.

Section 6 - Proper Record-Keeping

A Manager or coach under disciplinary review may respond in writing to a complaint and LLL shall attach such response to the League's documentation and original complaint. LLL shall maintain complaints on file.

Section 7 - Annual Evaluations

Managers and coaches shall be evaluated annually near the end of the season. The Coaching Coordinator with assistance from the Player Agent(s) and BOD shall conduct a league sanctioned Manager/coach evaluation to be completed near the end of each season. Such evaluations should be completed and delivered to the league President within 30-days of the season terminating.

Section 8 - Evaluations: Preparing for the Next Season

In determining the appropriateness of Managers and coaches, the Manager/Coach Selection Committee shall review complaints and evaluations from the past season. Any Manager suspended from a game will not be permitted to manage a team with LLL during the next season. Also, in some circumstances that require the league to determine the historical behavior of a Manager or coach, the Manager/Coach Selection Committee may review prior seasons for evaluations and complaints.

ARTICLE 4 - SELECTION OF THE ALL-STAR TEAMS

Method of selection is to be determined by the local league Board of Directors.

ARTICLE 5 - CODE OF CONDUCT

Today, poor behavior is a widespread problem in youth sports leagues. A goal of the Board is to provide the most positive experience for our players. The actions of Managers, coaches, players, volunteers, parents, and spectators have the strongest impact and effect on the growth of our children. The conduct of our membership and visitors must exhibit courteous civil behavior and sportsmanship behavior whether on the field or in the stands.

According to Webster's Dictionary, sportsmanship is the ability of a person who can take loss or defeat without complaint or victory without gloating and who treats his opponents with fairness, generosity, and courtesy. Examples of poor sportsmanship include throwing equipment, using illegal equipment, bad language, arguing with an umpire's judgment call or harassing an umpire, opposing players or spectators.

Most important, remember that Little League baseball is only a game. By the time they arrive at the parking lot after the game, most of the children don't care who won or lost the game. However, if the parents set the tone by criticizing the Manager or the umpire, the children will get upset about it, too. Don't ruin your child's baseball experience. Be positive and supportive.

To reduce any problems at LLL activities, the BOD requests you to adhere to the following important guidelines:

Ladera Little League

Baseball Bylaws & Local Rules

- Players and spectators are allowed ONLY TO ENCOURAGE players through cheering. A positive atmosphere should be maintained at all times.
- Chants or comments that are disrespectful, distracting, or derogatory to ANY player, Manager, coach, or umpire is prohibited.
- DO NOT distract participants from concentrating on the game. This includes the players, coaches, Managers, or umpires.
- DO watch for safety problems during games and practices to help prevent injuries. This includes watching your other children in the stands or on the surrounding grounds.
- Parents, Managers, and coaches are expected to set an example of good sportsmanship at all times by positively encouraging players and not vocally questioning or criticizing umpire calls or Manager decisions.
- Umpires have the authority to halt play and, if necessary, eject players, Managers, coaches, or spectators who are disrespectful, distracting, or derogatory and/or engage in other unsportsmanlike conduct to anyone involved in the game.
- Pick up all of your trash and your children's trash after each game or practice. Our playing and practice fields are to be kept clean. Please be responsible and help any time that you can.
- Smoking, smokeless tobacco, alcoholic beverages, or illegal drugs are prohibited by Little League Rules & Regulations where the little league is functioning.

Poor sportsmanship by Managers, coaches, players, spectators can result in ejection from the game and removal from the fields. Therefore, the BOD has adopted the following disciplinary actions on misconduct:

Parents and visitors: If any person initiates any physical confrontation or altercation or assault, the Los Angeles County Sheriff's Department will be notified as soon as possible by dialing 9-1-1. Any individuals involved in a physical confrontation will be required to come in front of the BOD and explain their actions. Disciplinary action by the BOD may result in banning or suspension from LLL and its activities. Any individuals involved in verbal confrontations may be required to come in front of the BOD and explain their actions as well.
